““ Our team loved our Breakthrough to Excellence session with Jasmin. **It was engaging, interactive, thought-provoking, and challenging (in a good way!).**

Jasmin was an amazing speaker – her personality shone through, even in a webinar format, and we loved the workbook to follow along with the presentation and carry forward with us. We would absolutely hire Jasmin to speak again if given the opportunity!

**Stephanie Skryzowski,
CEO of 100Degrees Consulting**

““ Jasmin is such a talented speaker! She is informative, engaging, knowledgeable, interesting, and inspiring! I loved hearing her at the TDHA Annual Conference. It was also such a privilege to meet and chat with her one evening. She is such a kind and genuine human being.

Kate Stone

Jasmin is an award-winning international speaker, author, educator, thought leader, coach, and podcaster passionate about helping her audiences make an impact and serve their communities from the heart. Having spoken to and educated over 15,000 audience members since she began her career in speaking, she has impacted countless others through her insightful podcasts, educational programs, and consulting business. She is the founder of the Legacy Scaler® Consulting firm and has developed a unique approach to connecting with audiences – The H.E.A.R.T. Methodology™ – that guarantees attendees leave your event feeling motivated & transformed.

A professional speaker for dozens of healthcare association events and international corporations, Jasmin is sought after for her thought leadership in becoming legacy-driven and effective communication through public speaking. She has also been featured in leading publications in healthcare for her work in public health and transformative initiatives for healthcare professionals. Additionally, she was awarded for the 2018 RDH Award of Distinction for her transformative educational work for marginalized populations along with many other recognitions throughout her career journey.

Her mission is to empower individuals to unlock their potential by tapping into the power of their own voice & story to make an impact on their immediate environment & beyond – both personally & professionally; inspiring each person she meets along the way to live a more fulfilling life. You can contact her team & learn of her services at www.jasminhaley.com.

““ Jasmin's insights are invaluable to reimagining and empowering your speaker business. Her passion and enthusiasm is inspiring. The frameworks she shared and the opportunity to work in a group and discuss were amazing.

““ The session was inspirational, helpful, and valuable. I would highly recommend gaining insight from future sessions with Jasmin.

Why You Should HIRE JASMIN

- Jasmin is a dynamic and engaging speaker who connects with the H.E.A.R.T.S. and minds of her audiences every time she presents.
- Jasmin customizes every presentation to the needs of the audience and prioritizes their growth and transformation for each program that she creates.
- Jasmin comes from a professional educator background which allows her to design her programs utilizing educational methodologies that allow audiences to absorb and integrate the lessons and information she shares.
- Jasmin is a thought leader who pioneered the diversity conversation within the healthcare industry of dentistry and she continues to bring this inclusive mindset to every stage and room that she steps onto. Every audience member feels welcome when Jasmin is in the room.
- Jasmin commands the stage with her audacious voice and backs up her transformative words with high-quality academic quality research that solidifies the force of her message with audiences.
- Jasmin is a leader who knows how to engage and inspire audiences to step forward in their own lives and go after what it is they seek TODAY.

A few of the organizations Jasmin has been a KOL for...

“Jasmin is a dynamic speaker—engaging, relatable and so full of knowledge. The live Zoom session flew by (all 6 CE hours), due to her passion, expertise, enthusiasm, and personality. She presents in an interactive way, answering questions and encouraging dialog, with warmth and inclusiveness. I would love to attend more of her presentations!

Diedri Durocher, BS, RDH, Executive Administrator Montana Dental Hygienists' Association

“Jasmin is a great speaker on so many topics! If you're looking for a terrific speaker on diversity, opioid addiction, or adverse childhood experiences— or even business strategies— be sure to contact her! You won't be disappointed!

Becoming Legacy-Driven: Effectively Navigating Burnout & Chronic Stress

Opening Keynote

Legacy is often defined as the money or property that is left behind to someone in a will. What is often not considered in its definition is that legacy is being created every single day.

As professionals, we are inundated with many responsibilities that often derail us from staying in alignment with our talents & ultimately our purpose. Every day we meet with challenges waiting to rob us from creating our lasting legacy.

In this interactive keynote, each participant will rediscover their strengths, identify common symptoms of burnout that plague professionals, and gain recognition of how to develop their own legacy with strategy & heart-felt intention.

Learning Objective: At the conclusion of the keynote, the attendee will be able to:

- Identify how the body demonstrates misalignment
- Recognize their strengths to create their professional legacy
- Discover the power of becoming legacy-driven in their personal & professional life

Becoming Legacy-Driven: What's In Your Toolbox?

Closing Keynote

A challenging journey for all bold & empowered professionals is navigating the noise of self-doubt, comparison, and a true sense of belonging. True peace, confidence, and joy stems from a sense of being & recognizing that one already has everything it takes to reach their personal & professional goals. This closing keynote will help participants discover what one already has as they reach their own heights of excellence.

Learning Objective: At the conclusion of the keynote, the attendee will be able to:

- Define a sense of belonging
- Recognize experiences that directly impact serving their purpose
- Implement strategies to utilize innate gifts and abilities

Legacy Communication: Building Enduring Impact Through Words

This session, led by Jasmin Haley, focuses on the art of legacy-driven communication, crucial for shaping a lasting impact within organizations and communities. It emphasizes how strategic and mindful communication can build a powerful and enduring legacy. Attendees will explore techniques to ensure their message not only resonates today but also carries forward into the future, shaping perceptions, influencing decisions, and nurturing a sustainable company culture.

Learning Objective: Upon completion of this course, participants will:

- Explore the principles of legacy-driven communication and their role in shaping a lasting organizational and personal impact.
- Develop strategies to craft messages that align with long-term vision and values, ensuring consistency and depth in all forms of communication.
- Apply legacy communication techniques to real-world scenarios, enhancing influence and fostering a culture of purpose and foresight.

Navigating Hostile Terrains: Leadership and Communication Strategies for Difficult Work Environments

This insightful session, led by Jasmin Haley, addresses the critical skills required to effectively lead and communicate in hostile or challenging work environments. Leaders will learn how to identify underlying issues contributing to workplace toxicity, employ effective communication strategies to address and resolve conflicts, and foster a more positive and productive work atmosphere. This workshop is tailored to equip leaders with the tools to transform hostility into opportunity – turning challenging situations into catalysts for growth and positive change.

Learning Objective: Upon completion of this course, participants will:

- Identify the root causes of hostility in the workplace and understand the impact on team dynamics and overall performance.
- Develop robust communication strategies that effectively address conflict, promote understanding, and facilitate resolution in tense environments.
- Implement leadership techniques that transform a hostile work environment into a collaborative and supportive space, fostering a culture of respect and positive engagement.

Legacy Speaker®: Leveraging Speaking to Organically Accelerate Your Revenue and Impact

The most powerful tool we have as business owners is our voice. And we all have a story to tell. We use our voice every day in our day-to-day operations as we grow our businesses. However, we often overlook the power of our voice in directly impacting the bottom line of our business growth.

When it comes to making it to the top of the speaking or training industry and building a sustainable revenue source not everyone has the skills and drive to make it happen. You need forethought, strategy, and proper positioning of your speaking brand!

This interactive presentation will cover the essential elements needed to begin scaling your business and legacy through the podium.

Learning Objective: Upon completion of this course, participants will:

- Identify the reasons why professional speaking is the most powerful asset to business growth.
- Recognize the three essential steps every business owner needs if they want to scale through the podium.
- Create a strategic plan for their speaking legacy.

Mastering the Art of Legacy Building For Your Speaking and Training Expertise

It's time to tap into the power of legacy building and make it work for you!

Join award-winning international speaker Jasmin Haley, MS, as she takes participants through her Legacy Scaler® Framework – a powerful tool that will help you make decisions in your business with long term profitability & sustainability.

Be prepared to learn about creative, innovative models that are on the rise - all customized around attendees' own expertise and revenue goals.

Don't miss this opportunity to take control of your business destiny today by developing an incredible lasting impact.

Learning Objective: Upon completion of this course, participants will:

- Identify the different business models in the speaking & training industry, including traditional and modern models
- Evaluate personal strengths, expertise, and revenue goals to determine the most suitable business model to adopt
- Develop a strategic plan for legacy building with speaking & training
